# Spring Band and Choir Tour to Edmonton

## May 25<sup>th</sup> – 28<sup>th</sup>, 2017

Our annual band and choir trip is coming up in May. Edmonton has traditionally been a favourite trip for our Vanier Music students. We have particularly AMAZING clinicians booked – full of life and very inspirational - and of course, everyone loves the West Edmonton Mall! We always come away with lots of new musical ideas and accomplishments. This is a trip not to be missed. Everyone is expected to attend this group building educational event. However, if there is a specific issue preventing anyone from attending, please see me privately.

Here are the details so far:

\*May 25<sup>th</sup>-28<sup>th</sup>

\*Performances, workshops and attendance at at least one concert included

\*Three nights hotel, busing, most meals included

\*\$350 is the estimated cost, final cost is determined by how many students attend

\*\$50 deposit is required by April 3<sup>rd</sup> to hold your spot on the bus, balance is due May 15<sup>th</sup>

\*There may be an opportunity for **fundraising** if enough people are interested

\*I would like to get an idea of how many students will likely attend so I can book hotels, meals etc.

\*Email of intent requested by January 23<sup>rd</sup>

Please have a parent or guardian EMAIL me or send a note by January 23<sup>rd</sup>, indicating your intention at this time to attend this trip. This will significantly help in the planning process and determination of final costs. Thanks! Mrs. Mc
