

Vanier Music

Banff Music Retreat

Banff, Alberta, May 9th – 12th, 2019

We are going all out this year to have an exceptionally educational and memorable trip in 2019! This trip takes place the weekend before music festival so we will be well prepared for that and for our final concert.

INCLUDED

The first day on the bus you will be asked to bring a bag lunch and supper. Three big, hot breakfasts and two dinners are included.

Also included is the cost of the bus, the cost of a band and a choir clinician, and a fun and interesting drumming workshop for everyone.

FUNDRAISING

I am willing to help coordinate fundraising, but require parents to be at the helm.

OTHER ACTIVITIES

We have worked in opportunities to go to the Banff Hot Springs and to have a gondola ride. Those options would be on a pay as you go basis, as not everyone may want to do those things.

COST

If we can get 32 students to attend, the cost would be \$478 per student.

If we can only get 28 students to attend, the cost would jump to \$535 per student.

**** I would like a firm number of how many students will likely be attending by Monday, January 14th, so we can see if the trip is viable. We will reconsider if we have fewer than 32 students.*

Banff Music Retreat Letter of Intent

In order to accurately gauge interest and accurately arrive at the trip fee, please sign and return this to Mrs. Mc or the office by Monday, January 14th, 2019.

_____ is planning to attend the Banff Music Retreat with Vanier Music from May 9th-12th, providing there are 32 or more students attending.

I understand that a commitment to attend, and a \$50 deposit will be needed in February and another \$50 in March, to hold each spot on the bus. The balance of the trip fee will be due Monday, April 29th.
